## Camp & Event Speaker Policy

---

These policies are intended to guide PYV Council, staff and convenors when in discussion with potential PYV Camp or Event speakers.

### **Speaker Background and Theology**

- PYV will only approach speakers who attend and are an active member of a bible believing church.
- PYV will only approach speakers who have completed Basic Safe Church Training and Refreshers or church denomination equivalent.
- PYV will approach speakers who do understand, acknowledge and abide by the teaching of the Presbyterian Church of Australia.
- PYV will approach speakers who can explain the gospel to youth in a clear and engaging manner.
- PYV will consider factors such as family commitments, current work load and congregational responsibilities when approaching speakers.
- Speakers do not have to have completed formal theological training, however, in the event that this occurs PYV will seek approval from the speaker's church leadership.

### **Camp Talks**

- All future speakers at PYV camps and events have a letter sent to them, seeking their permission to record and distribute their talks via the PYV website.
