

Presbyterian Youth Victoria

Camp Sickness Policy

This policy is designed to guide PYV Council, staff and First Aid Officers regarding illness at camps.

General Policy

If campers are sick, parents are asked not to send them to camp to protect the health and well being of others. The same applies for leaders, chaplains, camp parents and YouthMETRO Trainees.

It is the decision of Camp Convenor and Senior First Aider to take whatever action they determine appropriate to protect the health and well being of all campers, leaders and YouthMETRO Trainees, up to and including the closing of the camp. PYV takes every effort to prevent the spread of contagious sicknesses at all camps and events.

If a camper is required to leave camp it is the responsibility of parents to take every effort to collect their child from camp.

If an attendee has to leave camp, financial reimbursement will be at the discretion of PYV Council.
