Important PYV update on camps and events for 2021

PYV has made the decision to use the remainder of 2021 to reflect on our current ministries and explore some new opportunities for the future, in order to best serve the youth of the Presbyterian Church of Victoria and beyond.

For this reason, PYV will not run our North Camp, East Camp or Mission trip events in 2021.

We acknowledge this will be disappointing news for many of our leaders and campers. However, some other exciting PYV events are in the pipeline for the coming months and we will share details of these soon.

We are excited to build on our current youth ministry program and calendar of events to continue equipping and nurturing young people in their service of Christ Jesus.

If you'd like to get in touch with PYV, you can email us at ynd@pyv.org.au and be sure to follow us on Facebook and Instagram to stay across the latest updates.
